*All judicial candidates are eligible to participate in public financing, which permits limited PAC contributions in the qualifying stages. This candidate qualified for public funding without asking for our PAC support but had this candidate requested financial support, we would have contributed.

In addition to the candidates for state office in North Carolina, the National Association of Home Builders (NAHB) also has a political action committee (NAHB BUILD-PAC) which supports candidates for federal office. The following candidates have received support from the NAHB BUILD-PAC during this cycle from contributions authorized by the trustees from funds contributed by our members during this cycle:
