

Get Involved WITH NCHBA in 2011

If you've ever wondered what goes on at the state HBA level, joining a committee is the best way to find out what your state association staff does on your behalf. Committee work plays an integral role in shaping association policy. From legislative issues to membership retention, there is a committee for everyone to learn and share. I urge you to join a committee and get involved in 2011! — *Bill Daleure, 2011 NCHBA President*
