

NCHBA Benefits Trust Member Health Plan

**In partnership with Blue Cross and Blue Shield Of North Carolina
and Select Employee Benefit Firms**

WHAT

The NC Home Builders Association has partnered with Blue Cross NC to offer a Member Group Health Plan developed specifically for qualified NCHBA employer members. Initial benefits will include medical, dental and vision through Blue Cross NC, and group life and disability through other carriers.

WHY

Health Insurance costs are one of the top concerns for small and large businesses across the country. Smaller employers (less than 200 employees) have very limited medical insurance options. The NCHBA Benefits Trust will give employer members another market choice with potential cost savings for qualified members.

WHO

The Trust plan is offered to employer members of the NCHBA who are headquartered in North Carolina, are active members of NCHBA, have at least 2 employees, and whose business is directly related to the Home Building Industry.

WHEN

The official start date of the plan is July 1, 2024. However, employers may request quotes prior to the start date, and may also join the plan at any time throughout the year. The plan will have an anniversary date of July 1.

HOW

The benefits will be marketed and serviced through preselected employee benefits firms who have exclusive agreements with NCHBA. Blue Cross NC will underwrite and service the medical, dental and vision benefits, while Capstone Administrators will deliver Trust services and provide participating employers with benefit administration support.

NCHBA will be sending more details as the official start date nears.

Blue Cross and Blue Shield of North Carolina is an independent licensee of the Blue Cross and Blue Shield Association. Capstone Administrators is an independent company that provides administration services on behalf of your health plan.
